4. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, '*Review of Interim Financial Information performed by the Independent Auditor of the Entity*' and considering the requirements of Standard on Auditing (SA 600) on "Using the Work of Another Auditor" both issued by the Institute of Chartered Accountants of India.

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures applied to financial data. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

5. The Statement includes the results of the following entities:

- b. Aban Holdings Pte Ltd, Singapore - Wholly owned foreign subsidiary (includes its 8 subsidiaries and 2 associate companies)
- c. Aban Energies Ltd, India - Wholly owned Indian subsidiary.

6. Disclaimer Conclusion:

In view of the significance of the matters described in paragraph 6A, 6B and 6C below and the uncertainties involved, we have not been able to obtain sufficient and appropriate evidence thereon, unable to conclude as to whether the Statement has been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant Rules and other recognized accounting practices and policies or state whether the Statement has disclosed the information required to be disclosed in terms of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement. Thus, we do not express a conclusion on the accompanying financial results.

The Basis for Our Disclaimer Conclusion:

6A. Relating to the wholly owned foreign subsidiary

In the case of the wholly owned foreign subsidiary of the company Aban Holdings Pte Ltd, Singapore, and its subsidiary companies whose condensed consolidated interim financial information has been reviewed by other auditor "CLA Global TS Public Accounting Corporation - Chartered Accountants, Singapore" and they have expressed disclaimer conclusion on such condensed consolidated interim financial information for the financial period from 1st April 2025 to 31st December 2025, which is reproduced below:

Beginning of Reproduction of the other auditor's disclaimer conclusion:

"Basis for disclaimer conclusion-

i. Going Concern:

In preparing this condensed consolidated interim financial information, the board of directors has considered the operations of the Group as a going concern, notwithstanding that the Group incurred a net loss of US\$ 94,616,000 for the nine months period then ended 31 December 2025, and as of that date, the Group was in a net current liabilities and net liabilities position of US\$ 3,047,795,000 and US\$ 2,955,736,000 respectively.

The Group's rig classified as property, plant and equipment with carrying amounts of US\$ 29,120,000 (Note 17) have been pledged as security for the borrowings of the Group, amounting to US\$ 1,761,279,000 (Note 19).

In addition, the Group has defaulted on the payment of their borrowings, which have fallen due and have breached the covenants of their borrowings, giving the lenders the right to demand the related borrowings be due and payable immediately. The lenders have issued recall notices to the Group. Management has reclassified these borrowings of the Group, with original repayment terms beyond 12 months from the condensed consolidated balance sheet date as current liabilities.

On 31 October 2025, the immediate and ultimate holding corporation, Aban Offshore Limited has made an announcement that pursuant to the order of the National Company Law Tribunal, Chennai Bench ("NCLT") dated 1 September 2025, Corporate Insolvency Resolution Process ("CIRP") has been initiated against Aban Offshore Limited under the provisions of the Insolvency and Bankruptcy Code, 2016 (the "Code"). The NCLT subsequently appointed an Interim Resolution Professional ("IRP") on 10 October 2025 (order received on 14 October 2025) and a moratorium has been declared in accordance with the Code. Subsequent to 14 October 2025, the CIRP continued to progress with key procedural steps under the supervision of the Resolution Professional ("RP") appointed on 26 November 2025. In compliance with the Code, Aban Offshore Limited has submitted the list of creditors as on 12 November 2025. On 21 January 2026, the Appellate Tribunal issued further procedural directions in relation to the Corporate Insolvency Resolution Process of Aban Offshore Limited, and the matter has been scheduled for further hearing.

FORD RHODES PARKS & CO. LLP

As part of the operation, the Group leases a number of offshore drilling rigs from its immediate and ultimate holding corporation under bareboat charter arrangements, which are subsequently sub-leased to non-related party oil and gas companies under day rate drilling contracts. In light of the commencement of the CIRP, there are material uncertainties as to whether the Group can continue to sub-lease these rigs, or if such assets may be repossessed. This could potentially give rise to liquidated damages arising from the Group's inability to fulfill the terms of the drilling contracts or otherwise adversely affect the Group as part of the immediate and ultimate holding corporation's ongoing insolvency proceedings.

The above conditions indicate the existence of material uncertainties that may cast significant doubt on the Group's ability to continue as a going concern. Nevertheless, the board of directors believes that the use of the going concern assumption in the preparation of the condensed consolidated interim financial information of the Group for the nine months period then ended 31 December 2025 is still appropriate. The Group has during the financial year ended 31 March 2024, submitted a proposal for a one-time settlement of the bank borrowings to the lenders. As at 31 December 2025, the lenders are still seeking approval from the relevant authorities for the aforesaid proposal. In addition, the Board of Directors is of the opinion that the Group will continue with its existing sub-leasing arrangements and that the assets will not be repossessed, in view of the ongoing contractual commitments.

The ability of the Group to continue in operational existence in the foreseeable future and to meet their financial obligations as and when they fall due is dependent on the actions and measures undertaken as disclosed above. Additionally, it is uncertain whether the Group will raise further funds through any fund-raising exercises. Therefore, we were unable to obtain sufficient audit evidence to enable us to form an opinion on whether the going concern basis of preparation of the accompanying condensed consolidated interim financial information of the Group is appropriate.

If the Group is unable to continue in operational existence in the foreseeable future, the Group may be unable to discharge their liabilities in the normal course of business. As a result, adjustments may have to be made to reflect the situation where assets, particularly the rig of the Group, may need to be realised other than in the normal course of business and at amounts which could differ significantly from their current recorded values in the condensed consolidated balance sheet. Additionally, the Group may have to reclassify non-current assets and liabilities as current assets and liabilities respectively. The condensed consolidated interim financial information does not include any adjustment which may arise from these uncertainties.

ii. Incompleteness of Bank Confirmations:

We were unable to obtain bank confirmations to confirm the Group's bank borrowings amounting to US\$1,761,279,000 (Note 19) as at 31 December 2025. There were also no practicable audit procedures available to us to confirm or verify these bank balances and transactions. As a result, we were unable to ascertain the accuracy and completeness of the aforesaid bank borrowings. In addition, we were unable to verify the completeness of the Group's transactions with the banks for the aforesaid bank borrowings. Consequently, we were unable to determine whether any adjustments and disclosures might have been found necessary in respect of unrecorded and/or undisclosed transactions, facilities and information with the banks in the condensed consolidated interim financial information for the financial period from 1 April 2025 to 31 December 2025.

FORD RHODES PARKS & CO. LLP

iii. Investments in Associated Companies:

The Group's carrying amounts of investments in associated companies as at 31 December 2025 amounted to US\$1,090,000. Management has determined that no objective evidence or indication that the carrying amounts of the investments in associated companies may not be recoverable, accordingly no impairment assessment is required.

Based on the latest financial performance and financial position of the associated companies as well as other information made available to us, we were unable to obtain sufficient appropriate audit evidence in respect of the management's assessment of the recoverability of the investments in associated companies as at 31 December 2025. Consequently, we were unable to determine whether any adjustments might have been found necessary in respect of the carrying amounts of the investments in the associated companies as at 31 December 2025.

Disclaimer of Conclusion

Due to the significance of the matters described in the Bases for Disclaimer of Conclusion paragraph, we were unable to obtain sufficient appropriate evidence to form a conclusion on the accompanying condensed consolidated interim financial information. Accordingly, we do not express a conclusion on this condensed consolidated interim financial information.

End of Reproduction of the other auditor's disclaimer conclusion

6B. Relating to the Holding Company

We refer to "Basis for Disclaimer Conclusion" paragraph in our Limited review report on Standalone unaudited financial results for the quarter and nine months ended 31st December 2025 which is reproduced below:

"Basis for Disclaimer Conclusion

Non-Receipt of Bank Balance Confirmations:

Though the Company authorized its bankers to send balance confirmation to us directly, we did not receive any direct confirmations. The company is unable to obtain and provide bank balance confirmations for the Company's bank balances including deposits of INR 130.92 million and the Company's outstanding bank borrowings from 2 banks (term loans) amounting to INR 4,197.92 million as of 31st December 2025. In our opinion, there are no other practicable review procedures available to us to verify these bank balances and transactions. In view of the non-confirmation of bank current, deposit and loan account balances and non-availability of bank statements of bank loan accounts, we are not in a position to ascertain and comment on the correctness of the above-mentioned balances and the resultant impact of the same on the unaudited standalone financial statements of the Company.

FORD RHODES PARKS & CO. LLP

Material uncertainty relating to Going Concern:

The Company has accumulated losses on account of which the net worth is eroded. Also, current liabilities exceeded current assets. The company has defaulted in respect of installments and payment of interest on term loans. On petition filed by a financial creditor, the NCLT Chennai Bench admitted the Company into Corporate Insolvency Resolution Process ("CIRP") and appointed an RP. These situations indicate that material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. (Refer Note 3 to the unaudited standalone financial statements). The appropriateness of assumption of going concern is dependent upon improvement in cash flows from normal operations, timely monetization of assets, and ongoing CIRP processes.

Investments overdue:

Claims submitted by creditors:

As mentioned in Note 13 e of the unaudited standalone financial statements, claims were submitted by the financial creditors, operational creditors, other creditors including claims of employees to the RP. The overall liabilities shall be determined during the CIRP and accounting impact if any shall be considered on completion of CIRP.

We have not been provided with information pertaining to the proceedings of CIRP process including the minutes of meetings of the Committee of Creditors ("COC"), and the outcome of procedures carried out as a part of the CIRP, citing confidentiality reasons.

Non provision of Interest on bank borrowings and dividend on cumulative redeemable preference shares:

As mentioned in Note 9 of the unaudited standalone financial statements, based on the claims received by the RP from financial creditors, the Company has not provided for interest on bank borrowings and dividend on cumulative redeemable preference shares for the quarter ended 31st December 2025 since the liabilities are crystalized on CIRP commencement date.

Non reinstatement of foreign currency bank borrowings:

As mentioned in Note 10 of the unaudited standalone financial statements, the Company has not reinstated the foreign currency bank borrowing as at 31st December 2025 as the claims have been crystalized.

Accrual of Interest income at reduced rate on inter-corporate loan:

As mentioned in Note 11 of the unaudited standalone financial statements, the Company has accrued for interest income on inter corporate loan at a lower rate which was reset from 01st October 2025.

FORD RHODES PARKS & CO. LLP

Revenue support services accrued at cost instead of at agreed rate:

As mentioned in Note 12 of the unaudited standalone financial statements, the Company has accrued the revenue from support services from its wholly owned foreign subsidiary at a rate lesser than the agreed rate.”

6C. Non provision of Interest on bank borrowings of wholly owned foreign subsidiaries

As mentioned in Note 13 of the unaudited consolidated financial statements, based on the claims received by the RP from the financial creditors of the foreign subsidiaries, the Parent Company has not considered interest on such bank borrowings for the period 01st October 2025 to 31st December 2025, since the liabilities are crystalized on CIRP commencement date.

7. Other Matter Paragraph:

(i) We have reviewed the unaudited financial results of Indian Subsidiary M/s Aban Energies Limited, Chennai, India.

(ii) We did not review the interim financial statements/financial information/ financial results of “Aban Holdings Pte Ltd, Singapore, and its subsidiary corporations” [includes 8 subsidiaries and 2 associate companies] included in the consolidated unaudited financial results of the group, whose condensed consolidated interim financial information reflect the total income of INR 3057.39 million and total comprehensive loss of INR 5519.44 million, for the nine months ended 31st December 2025 (after considering non provision of interest as stated in 6C above).
